festival

friday 26 - Monday 29 May 2017

'Grace' is our theme for 2017, and we want you to come and join us for a weekend of teaching, worship, laughter and friendship as we tread across the grace-filled ground of this incredible site, and explore what it means to encounter a God who offers Grace – Full, Free and For All.

Great worship, learning, fellowship and entertainment – something for all ages!
